Features for TP

- The low part is available for autoclaving.
- Cover large volumes range from 0.1ul to 10ml.
- Long lifetime over 100,000 times pipetting.
- Compatible with most universal brands tips.
- Ergonomic design provides excellent operating experience.
- Online calibration available, easy calibration and maintenance with tool supplied
- High accuracy, error limits are better or equal to international standard ISO 8655-2. Each pipette supplied with individual test certificate.
- Patent technique with nearly 20 years manufacturing experience guarantee high quality;
